RESTAURANT & BAR

.....

Located within the iconic Royal Festival Hall, Skylon, which takes its name from the famous landmark built in celebration of the 1951 Festival of Britain, offers a spectacular panorama of London's skyline with floor to ceiling glass windows overlooking the River Thames.

Presenting the ultimate vantage point and capturing the buzz of the capital, Skylon is a destination venue, occupying a triple-height room that is divided into two distinct areas – restaurant and bar – with bespoke, bronze-coloured chandeliers that punctuate the space.

CANAPÉ RECEPTIONS, GROUP DINING & EXCLUSIVE HIRES

Weddings, standing receptions, business dinners or product launches; whatever the occasion, Skylon has a number of event spaces that are adaptable to suit any style, and most importantly, an organised and enthusiastic team dedicated to making every detail of your event a success.

Offering European cuisine with a British influence an extensive wine list and cocktail list to match, the elegant surroundings of the restaurant can accommodate group bookings of up to 150 guests for standing or 120 guests for seated events.

Alternatively you can exclusively hire the whole venue, which can host up to 500 guests for standing or up to 300 guests for seated events. If you're looking for something a little more secluded, our intimate River View can offer the perfect semi private space with unique views, which is available for groups of up to 60 guests standing or 50 guests for seated affairs.
